

# DEER HUNTERS:

## MDC needs your help with CWD sampling.

If you harvest adult deer in **Linn, Macon** and parts of **Adair, Chariton, Randolph** and **Sullivan** counties during the early youth portion (**Nov. 5–6**) and first two weekends of the November firearms portion (**Nov. 12–13 and Nov. 19–20**) please take your deer to the following places for tissue sampling:

### CHARITON COUNTY

- Salisbury Meat Market & Processing (Nov. 12–13)

### LINN COUNTY

- King's Processing & Catering (Nov. 5–6, 12–13 and 19–20)
- Purdin Processing (Nov. 12–13 and 19–20)
- Sprague's Locker (Nov. 12–13)
- Roadside Collections  
(Nov. 12–13 and 19–20 from 8 a.m. – 5 p.m.)  
*Bucklin:* Junction of Hwy 129 and Hwy 36  
*New Boston:* Junction of Hwy 11 and Hwy 129

### MACON COUNTY

- Special D Meats (Nov. 5–6, 12–13 and 19–20)
- Buck Ridge Butcher Shop (Nov. 12 and 19)
- Roadside Collections  
(Nov. 12–13 and 19–20 from 8 a.m. – 5 p.m.)  
*New Cambria:* Junction of Hwy 149 and Hwy Z  
*Goldsberry:* Junction of Hwy 149 and Hwy J

### SULLIVAN COUNTY

- Tucker's Grocers & Processing (Nov. 12–13)

Tissue sampling will take only a few minutes and involves removing lymph nodes from the head. Tissue sampling will not reduce food value of deer. MDC is also working with area taxidermists to collect tissue samples from adult bucks.
